## 18TH BALLOT.

Convention Making Rest  
of Ticket.

Fruitless Forenoon Ses-  
sion Held.

By Telegraph to Evening News.

Convention Hall, Grand  
Rapids, June 28.—3 p.m.—Col  
Bliss of Saginaw has just been  
nominated for governor on the  
nineteenth ballot.

By Telegraph to Evening News.

Convention Hall, Grand Rapids, June  
28.—The forenoon session of the state  
republican convention was spent in  
pulling and hauling over the govern-  
ment. Eight ballots were taken at the  
session and then adjournment was tak-  
en until 2 this afternoon.

Both Ferry and Stearns are losing  
ground. Bliss has been gaining and  
so has O'Donnell. The supporters of  
Milo D. Campell, an unlucky 13, have  
been sticking close to him and he is  
the only candidate who has received  
the same number of votes on every  
ballot. He started with 13 and when  
adjournment was taken for dinner he  
had 13.

The vote on the thirteenth ballot  
stood as follows: Bliss, 290; Ferry, 203;  
Stearns, 206.

The seventeenth ballot, the last bal-  
lot before the noon adjournment stood  
as follows: Bliss, 299; Stearns, 191; Os-  
born, 26; O'Donnell, 63; Campbell, 13;  
Ferry, 249.

In an interview with THE EVENING  
NEWS representative Victor M. Gore  
said at noon:

"Dix and Blakeslee will receive the  
united support of the delegation from  
Berrien county. We are watchful for  
every chance to advance their can-  
didacy. In the present state of uncer-  
tainty in regard to the gubernatorial  
contest we cannot tell where we will  
land."

At noon every one was at sea and no  
one could be found who was even rash  
enough to make a guess at the result.

### THE PLATFORM.

mittee.

Hon. Vic or M. Gore of this city was  
the chairman of the committee on res-  
olutions. The platform will be  
adopted after the nominations are  
made. The committee has agreed  
upon its report and after endorsing the  
gold standard and the Philadelphia a  
platform come the following planks in  
regard to equal taxation:

The republican party renews its  
allegiance to the principle of equal and  
uniform taxation. All property-owners in  
the state, whether individual, co-  
partners, or corporations, should con-  
tribute their just share to the public  
burden and expense, and we demand  
that every dollar of wealth shall be  
taxed equally with every other.

"We favor the prompt repeal of all

punishment of all who are guilty.

Blakeslee Hunt Dix.

Detroit Journal report yesterday:  
The candidacy of Roscoe Dix for audi-  
tor general received a set back this  
morning in the Berrien county caucus.  
Berrien county previously indorsed  
Dix for auditor general, but this morn-  
ing it also indorsed Senator Blakeslee  
for the nomination of lieutenant gov-  
ernor. Blakeslee stock is coming to  
the front. The fight between Powers  
and McLaughlin for auditor general is  
very close, though Powers apparently  
still leads.

within the year. The rector was  
therefore tendered to the bishop his  
resignation of the work in Benton Har-  
bor.

### CANNON BALLS FOR SALE.

Extracted by the Hundred from the  
Walls of an Old Safety Vault  
in New York.

Workmen engaged in demolishing  
the 45-year-old five-story building at  
the southwest corner of Wall and Wil-  
liams streets have found a number of  
eight-pound iron balls let into the  
joints of the granite slab forming the  
outer wall of the street vault in what  
was the basement of the building.  
About 200 of the balls have been found,  
reports the New York Sun. One of  
the workmen was sure he had discov-  
ered some "revolutionary relics," and  
succeeded in disposing of a number  
of the "cannon balls" at 50 cents  
apiece. So many of the metal spheres  
were discovered that the price soon  
fell to a tin of beer. The discovery and  
sale continued Tuesday and yesterday  
and as there are a few slabs still in the  
place there will probably be more "re-  
lics" for sale to-day.

The demolished building was occu-  
pied by the Atlantic Mutual Insurance  
company and by the Phenix bank. The  
vault measures perhaps 15 by 20 feet.

The granite slabs which form its outer  
wall are 18 inches thick. The top of  
each one was hollowed out to receive  
the iron ball and the bottom of  
the next higher was hollowed out to  
receive the other half. Possibly the  
metal balls were put in to bother any  
burglar who might seek to dig through  
the wall.

## ARE IN A DEADLOCK.

**Michigan Republicans Fail to Secure Nominee for Governor.**

## MANY BALLOTS WITHOUT RESULT.

**Illinois Democrats Complete Their Ticket and Adopt a Platform**  
—Political Doings in Other States.

Grand Rapids, Mich., June 28.—The republican state convention Wednesday night adjourned until this morning after ten fruitless ballots for governor. The leading candidates, Aaron T. Bliss, of Saginaw; Justus Stearns, of Ludington, and Dexter M. Ferry, of Detroit, were so evenly matched in the number of their respective votes that the convention found itself practically at a deadlock, and wearied with balloting, gave up the struggle until to-day. The other candidates are Charles S. Osborne, of the upper peninsula; James O'Donnell, of Jackson, and Milo D. Campbell, of Coldwater.

Owing to the large number of candidates for minor offices it is not probable that the convention can finish its work to-day, even if the gubernatorial deadlock is broken. The report of the resolutions committee is the last thing on the programme, but the platform was completed Wednesday evening, and is ready for presentation. It is in part as follows:

It endorses the administration of Pres-

ident McKinley, and commends his course on the conduct of the late war and his policy in relation to the government of the islands which, by the fortunes of war, have come to us for protection and guidance. It endorses the action of congress in establishing our currency on a sound basis, and commends that body for legislation looking toward the establishment of suitable government for newly acquired territory; promoting the general prosperity, and in their efforts to restrain trusts and monopolies.

It endorses the platform of principles adopted by the republican national convention at Philadelphia, June 28, 1900, the ticket nominated, and pledges to President McKinley and Gov. Theodore Roosevelt united and energetic support. It suggests to the people that all the business interests of the state have prospered under republican rule, and that a change now would be disastrous.

It declares allegiance to the gold standard, places the stamp of disapproval upon all combinations of capital tending to a strait competition in business, to create monopolies, to limit production or to control prices, and favors legislation to that end; favors allegiance to the principle of equal and uniform taxation, and declares that all property owners in the state, whether individual, copartners, corporations, should contribute their just share to the public burden and expense, and demands that every dollar of wealth shall be taxed equally with every other. It favors the prompt repeal of all special railroad charters granting to any railroad in the state special privileges. It condemns the corruptions of state officials that has brought shame and disgrace to the state and demands the vigorous prosecution and punishment of all who are guilty. It favors the strictest economy in the disbursement of public monies and in the administration of state affairs. The resolution on the Boer war says:

"We sympathize with the people of the South African republics in their struggle for liberty and independence, and we commend President McKinley for promptly tendering the friendly offices of this government in the interest of peace; and while the American government, following the established precedent of noninterference in foreign affairs, must maintain a position of strict neutrality, nevertheless we earnestly hope that honorable peace may be speedily secured."

**ILLINOIS DEMOCRATS.**  
They Complete Their State Ticket and Adopt Platform.

Springfield, Ill., June 28.—The democratic state convention reconvened Wednesday morning at 10:35. Chairman Hurst immediately turned over the gavel to Free P. Morris, of Watseka, after the list of delegates and alternates to the national convention and presidential electors had been read and approved. Mayor Carter H. Harrison, chairman of the committee on resolutions, presented the platform, which was read and unanimously adopted. A synopsis follows:

The platform unqualifiedly endorses the Chicago platform. Denounces the administration of William McKinley as the weakest in the history of the nation. Invokes public condemnation of an administrative policy which denies to Cuba, Porto Rico and the Philippines the principle of home rule and self-government. Denounces the currency law passed by the present congress which proposes to permanently establish the gold standard in this country in place of the bimetallic

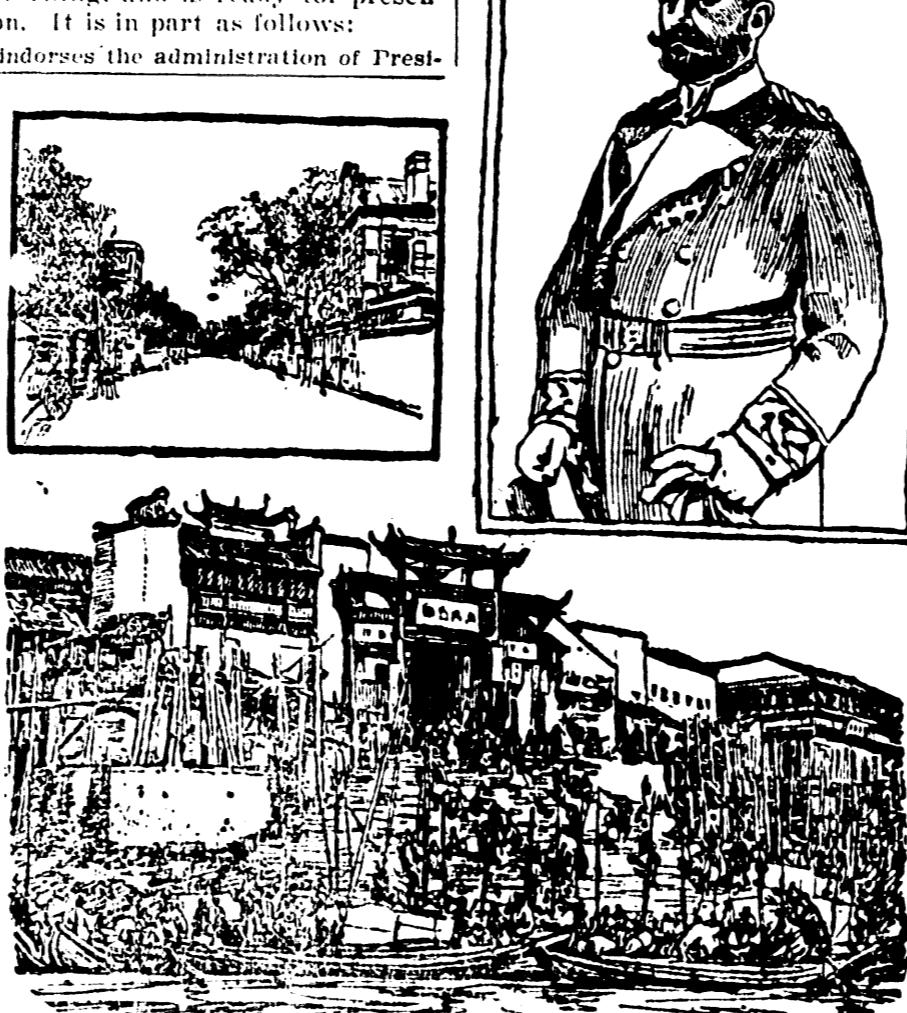

standard of the constitution. The declaration on imperialism follows:

"The declaration of independence, the flag and the constitution must everywhere stand together as emblems of human liberty and equal rights for all, and when one goes, all go. We therefore denounce imperialism under any pretense as necessarily leading to militarism and as wholly foreign to our system of government and declare that neither congress nor the president can exercise any power whatever not derived from the constitution. We therefore denounce the Porto Rican tariff bill as a palpable violation of the doctrines of the fathers and of the fundamental principles of our government which is based on equal rights to all."

Trusts and monopolies are denounced and the demand made that not only existing laws against such combinations be rigidly enforced, but that duties from all imports monopolized by trusts be removed. Favors the immediate construction, operation, fortification and defense of an American interoceanic canal by the United States. Is unalterably opposed to militarism as exercised in the United States arsenals by the commandants towards the employees from civil life. Affirms devotion to the Monroe doctrine. Favors the establishment of postal savings bank by act of congress.

The closing portions of the platform deal with state affairs. The administration of Gov. Tanner is denounced as the most corrupt in the history of the state.

Warm endorsement is given to William J. Bryan, who, the platform declares, "will in November next be placed in the office of which he was robbed in 1896 by a shameful system of corruption and debauchery; the foremost and most beloved American of to-day, William J. Bryan, and we pledge to him our loyal and unwavering support and the delegates from the state of Illinois to the democratic

## THE CONVENTION

The Speech of Hon. Victor M. Gore.

He Set the Convention Wild With His Eloquence.

Grand Rapids, June 28.—(Special)—There was a hot time in the convention hall yesterday afternoon and last night. The convention re-convened at 4 o'clock and the chairman of the committee on credentials reported in regard to the contesting delegations from Livingston and Washtenaw counties. The 19 delegates from Washtenaw county were given to Stearns and the 11 delegates supposed to be solid for Ferry were seated from Livingston. Shortly after 4 o'clock the chairman announced that nominations for governor would be in order and the first name presented was that of Dexter M. Ferry of Detroit. His name was presented by Victor M. Gore of Benton Harbor. When Mr. Gore stepped on the platform he was greeted with cheers. The 95 delegates from Wayne county went wild. They stood up in their chairs and yelled and it was fully five minutes before Mr. Gore could speak.

The next speaker was Mr. Blair of Jackson. He placed in nomination the name of Hon. James O'Donnell of Jackson. He scored the various candidates who had bought up delegates and said that he believed in honesty whether in the primaries or general election. He said the republican party was the party of Honest Abe. Referring to Mr. O'Donnell he said: "He has sent out no hired men to sound his praises believing that the republicans of Michigan need no private tutors. Should he receive the nomination he will spend his money, not in the caucuses but in carrying the election."

Turner of Grant nominated Milo D. Campbell, Mr. Umphrey of Saginaw and Col. A. T. Bliss and if cheers and wild enthusiasm counted for anything Mr. Bliss would have certainly received the nomination. Mr. Palmer of Mecosta made the speech of his life in placing the name of Justus S. Stearns in nomination and Mr. Larson of Calumet presented the name of Chase S. Osborn.

Two seconding speeches were made and the convention proceeded to an informal ballot which resulted as follows: Ferry, 251; Stearns, 215; Bliss, 299; O'Donnell, 42; Osborn, 61; Campbell, 13.

Nine formal ballots were taken, the last of which stood: Ferry, 290; Stearns, 208; Bliss, 280; O'Donnell, 25; Osborn, 27; Campbell, 13.

The convention adjourned until 10 o'clock this morning.

The Wayne county delegates are loud in their praise for Berrien county and one delegate was heard to remark after Mr. Gore had finished his speech that an effort ought to be made to get him to move to Detroit.

### MR. GORE'S GREAT SPEECH.

#### Electrified the Convention in Nominating Ferry.

When Hon. Victor M. Gore of Benton Harbor secured the floor to nominate Hon. D. M. Ferry for governor he was greeted by tremendous applause. Several times he was interrupted and at its close there was a demonstration. Mr. Gore said:

Gentlemen of the convention: In these auspicious days of American prestige the republican party is proud and happy. Proud of her conscious rectitude and strength as our flag looks out on the two imperial oceans welcoming the future. Happy to know that the problems she brings the country are problems born of progress under republican rule.

The old issues were settled and settled right. When the republican party of Michigan met in convention in '94 it had in its ranks throughout the state thousands who were faltering in their support of the St. Louis platform. At that great crisis a fearless republican stood at the head of the party organization in this state. He raised his voice for principle. He knew that the gold standard and the national honor must go hand in hand. Knowing that hundreds would disapprove his sentiments he boldly spoke his honest convictions in these words: "Every sentence of that platform bristles with patriotism, and its financial plan is as sound as the rock of ages."

Those ringing words were spoken to a doubting convention by a man of superb moral courage; a man endowed with the sterling elements of leadership. You know the result. Our own convention caught the spirit of that great document and Michigan occupied

### A FLORAL PARADE.

#### Magnificent Feature of the Milwaukee Carnival Viewed by 200,000 People.

Milwaukee, June 28.—Large crowds continue to pour into the city to enjoy the carnival festivities. The weather continues favorable and everything is going off according to programme. The most beautiful attraction thus far was the floral parade which moved over a five-mile course Wednesday afternoon. Ex-Gov. G. W. Peck was again chief marshal of the pageant.

The first vehicle in line was a handsome victoria occupied by Mayor and Mrs. David S. Rose and drawn by two beautiful bays. The carriage was one mass of American Beauty roses, and as the procession moved slowly along the long line laid out for the parade, the enthusiasm of the onlookers knew no bounds. Following the mayor's equipage came 33 others, including the handsomest turnouts in the city, occupied by members of the 400 set. The pretty women, whose gowns were perfect dreams in make-up, added in no small way to the beauty and gorgeousness of the pageant. The other turnouts included runabouts, stanhorses, golf-wagons, drags, brakes, buckboards, pony carts and traps decorated with chrysanthemums, peonies, snowballs, water lilies, apple blossoms, roses and many other varieties. It is estimated that fully 200,000 persons viewed the pageant.

### Crops Ruined.

Terre Haute, Ind., June 28.—Two thousand acres of grain along the Wabash river were swamped Tuesday night by the breaking of the gates in the levee six miles north of Clinton, Ind., and the community is startled by the report that the sluice was dynamited. The gates were swept away during the night and the thousands of acres of farm land, rich in corn and wheat, was deluged, and is covered with flood 20 feet deep. The loss is estimated at \$40,000.

### A Life and Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery which wholly cured me. Hundreds have used it on my advice and all say it never fails to cure Throat, Chest and Lung troubles." Regular size 50c and \$1.00. Trial bottles 10c at Lowe & Witherspoon's drug store.

### No Room for Doubt.

#### Evidence Like This Cannot be Disputed.

Grand Rapids.—Mr. Benjamin Barendsen, the well known notary public, who by sturdy effort and strict integrity has won an honorable position as one of Grand Rapids' representative business men, makes the following statement:

"I feel it my duty to make public the virtues I found in Dr. Chase's Kidney-Liver Pills. Although ordinarily of a robust constitution, I have suffered a great deal from time to time with heart palpitation and difficulty in breathing. Recently this trouble became worse, so bad indeed as to unfit me for business. My skin assumed a yellow tinge and I was distressed by severe pains in my back and in the region of my heart. Fortunately, however, just as my anxiety had reached its highest pitch, I read of the wonderful cures being accomplished by the use of Dr. Chase's Kidney-Liver Pills, bought a 25 cent box, and began taking them according to directions.

When I had taken three-fourths of the box, I began to feel and look like my former self, my appetite returned, and after finishing the first box and part of a second, I found myself restored to perfect health. I believe I am thoroughly cured and can conscientiously recommend Dr. Chase's Kidney-Liver Pills to all who may be similarly affected."

Don't wait until it is too late. If your back aches, or you have any trouble with your urine, any discoloration or deposits in same, or any disorder of the stomach or liver, Dr. Chase's Kidney-Liver Pills are a guaranteed cure for those troubles. Send your name and stamp for a free sample package.

One pill a dose, price 25c a box at all druggists, or Dr. A. W. Chase Med. Co., Buffalo, N. Y. See portrait and signature of Dr. A. W. Chase on every box you buy.

### Noted Counterfeiter Dead.

Columbus, O., June 28.—Miles Ogle, the celebrated counterfeiter, died Wednesday at Mount Carmel hospital, aged 66 years. He was recently released from the Ohio penitentiary after ten years' confinement under a sentence imposed upon him at Memphis, Tenn.

### Has Heavy Liabilities.

London, June 28.—In the bankruptcy court a receiving order was made against Benjamin Greenlake, a lawyer, with liabilities of between £20,000 and £30,000.

### AN OPPORTUNE FIT.

#### It Turned a Loss of a Million Dollars Into a Gain of Considerably More.

Mrs. Henry Widmayer, a Wall street speculator in a small way, fainted in her broker's office recently, being on the short side of a bull market at the time, and while in a swoon things went against her to the tune of \$700. The occurrence, says a New York exchange, recalled to a veteran speculator there a coup which Addison Cannick once made in original fashion. He, too, was on the short side and the bulls were raising merry hades, when he arrived on Wall street from Tuxedo. At 10:30 he was loser to the extent of nearly \$1,000,000. Suddenly he had a fit. He fell on the floor and foamed at the mouth. Doctors and things were sent for, and news got out that Cannick was dying. It spread like wildfire and was in every office in the street. He was a big man then, dealing with the boldest and strongest operators in the street, and the prospect of his death sent the market reeling. In the meantime the wily old fox had out 40 brokers selling short everything in sight, and when the day and the fit were over he had not only recovered his losses, but was \$1,250,000 to the good.

THREE OAKS DEDICATION.  
The Grand Rapids republican convention is attracting attention throughout the state. Every person in Michigan has been talking during the day of the probable outcome and there has been much excitement.

The convention, however, is not the chief event of the day in old Michigan. Outside the confines of the state, except perhaps among the few politicians at Washington interested, no one knows there is a convention on.

One event of national importance is transpiring in Michigan today. It is in Berrien county, at Three Oaks. The inhabitants of every city in the United States large enough to support an associated press newspaper will read of the dedication at their supper tables this evening. The morning papers throughout the country will contain columns of description tomorrow morning.

And why? At Three Oaks there is dedicated today a canon. It was taken from a Spanish ship at Manila. It is about as much of a curiosity as the canon on the lake front park at St. Joseph.

That is no reason at all, the reader will say, for thousands of people to gather from the uttermost parts of the earth for the dedication. The real cause of the demonstration is the zeal of one man, Edward K. Warren, president of the village. He has made himself believe, and the world believe, that this dedication is the most important event since the landing of Columbus and the crowd today will go crazy with excitement—President Warren has seen to it that no other kind of intoxicant is on sale in the famous village.

The lesson from the celebration is that any common-place event can be made historic if there is any one in charge who knows how to make it so. The reason there are few demonstrations over matters of real worth is that there are few E. K. Warrens.

# THREE LATE JUNE BRIDES

Pretty Church Wedding at Noon Today.

**Ray R. Hemingway and Miss Edmunds Wed.**

**Mr. Harmon and Miss Rackliffe Married.**

**Roy Wallace and Miss Hummiston in St. Joseph.**

The marriage of Ray R. Hemingway and Miss Clara Edmunds occurred at the First Congregational church at noon today, and was one of the most impressively pretty church weddings that Benton Harbor ever witnessed.

The church was decorated with rare skill and taste. The pulpit platform was a bank of lilies and palms while the organ loft was shut off from view by pretty foliage from smoke trees. From the altar there were three archways covered with vines and roses leading to the three main aisles of the church. The seats in the auditorium were all filled.

At precisely the hour, the wedding party took their places at the altar as Prof. Nelson played the wedding march on the big pipe organ, and Rev. W. J. Cady, assisted by Rev. George L. Cady, conducted the ceremony. A very pretty ring service was used. Edwin Edmunds, a brother of the bride was best man, and Miss Fannie Averill bridesmaid. J. D. McKellar and Morey W. Alger were the ushers. The father of the bride gave her away. Immediately following the ceremony the wedding party left the church and drove to the new home of Mr. and Mrs. Hemingway on Columbus avenue, and later a wedding dinner was served at the home of Mr. and Mrs. D. B. Edmunds, parents of the bride.

The bride wore a pretty white organdy and the bridesmaid pink organdy. Mr. Hemingway is a son of City Engineer Hemingway and holds a responsible position with the Farmers and Merchants bank. Miss Edmunds is one of the most popular young ladies in the city and is an accomplished musician. Both are faithful members of the Congregational church. Their new home is filled with presents. The members of the church generously remembered the bride who has been a member of the choir without compensation for several years; her associates in the choir gave her a rich present and among the other gifts was one from the associates of Mr. Hemingway in the bank.

The Congregational church was built a score of years ago but this is the first wedding it has ever seen. Several years ago at an evening service, after the sermon, a couple asked to be married and the congregation remained and witnessed the ceremony but no one will class that ceremony as a church wedding.

## A ROSE WEDDING.

Pretty Marriage of Mr. Harmon and Miss Rackliffe.

The home of Mr. and Mrs. Allen Rackliffe was a bower of light and beauty last evening in honor of the marriage of the eldest daughter, Flora to Theron A. Harmon of Plymouth, the superintendent of schools at Cassopolis, Michigan.

The trees of the spacious lawn were hung with Chinese lanterns while the interior of the home was decorated in every possible place with ferns, palms, pink roses and white lilies. The large bay window in the sitting room before which the bridal party stood was a bower of green.

The dining room was beautiful with its wealth of flowers, the circle of candles and smilax above the table and silver candle sticks on the table. The color scheme of pink and white was carried out in every detail.

As Lohengrin's wedding march was played by Miss Grace Paxton of Three Oaks, the bridegroom and best man, Dr. Hersey of Cassopolis, took their places and waited for the bride, who dressed in white silk mull led the party. The maid of honor, Miss Dora Rackliffe, was dressed in pink with white chiffon trimmings, while the three bridesmaids, Miss Lou Paxton of Three Oaks, Miss Jeffries of Kalamazoo and Miss L. Matilda Hipp wore gowns of white organdy similarly made, trimmed with pink chiffon and carried pink roses.

The ceremony was performed by Dr. Cogshall. After the congratulations of the relatives and friends present, the bridal party of twenty were served to refreshments by Misses Flora MacDonald, Grace Taylor, Grace Poole, Grace McGraw, May Bisbee and Alice Gilson, then decorated with favors by Grace Robbins and Florence Dickinson.

By this time the guests began to arrive to the reception held from 9 till 11. They were received by Mr. and Mrs. Rackliffe, assisted by Mrs. Bramhall and Miss Fanny Averill. Miss Daisy Gordon Rose served nectar from a large punch bowl.

Mr. and Mrs. Harmon, parents of the groom, of Plymouth, Mich., were present.

One large room was handsomely filled with beautiful presents.

## News Notes About the Bustling Lake Town

## St. Joseph Talks of a \$15,000 Viaduct.

At the special session of the St. Joseph city council last evening Mayor Rice unfolded his pet scheme. He proposed a \$15,000 viaduct leading from the corner of Broad and Lake boulevard, extending over the Pere Marquette tracks and terminating near the Wells, Cooper knitting works.

The present council is a very economical one and haggles over every expenditure of one dollar or less. The idea of spending \$15,000 in one lump dumfounded them at first, but finally the eloquence of the mayor prevailed and the councilmen agreed to consider the matter. The viaduct is probably a "sure thing."

The contract for painting, papering and plastering the city hall and the engine house was awarded to Reynolds & Dahlke, they offering to do the work for \$125. Ned Miller was given the job of repairing the sidewalk in front of the engine house and of raising the house 14 inches for \$80. There is some doubt as to the legality of the contracts and a test case may be made by those opposed to the improvements.

The council was unanimously opposed to the Sunday hawking of street vendors and readily passed Alderman Wilson's motion to instruct the chief of police to stop the practice.

Grant Bort was appointed special police. Mr. Bort will examine every sidewalk in the city and report on same to the mayor. St. Joseph hopes by this means to have a perfect system of walks and to avoid in the future accidents to citizens, such as recently befell Mrs. Frank Bracelin.

The city attorney was authorized to inspect Col. Bean's street car planking on State street and to report whether Mr. Bean was living up to his contract.

The board of public works was authorized to extend the city water pipes on the beach from Cooper, Wells factory down Pine street to Park. Justice St. Claire's bond, with N. A. Hamilton bondsman, was approved.

An ordinance granting the Three-I railroad company permission to construct a side track on Water street was referred to the ordinance committee with power to act.

City Clerk Leland Townsend was appointed by the council to represent the city of St. Joseph at the Dewey celebration in Three Oaks. The same official was authorized to purchase six stars for the special police.

The proprietor of the merry-go-round was given a lease to a piece of city property for \$2 a day.

When the contract for the city lights was given Mr. Bean some years ago he promised in return to run a car to the end of his track on Niles Avenue every hour. Of late no cars have been run to the end, and the matter was brought to the attention of the council. Mr. Bean claims that the trussle works on the avenue are not safe. The council told the street commissioner to look into the matter.

The council adjourned until July 3.

W. F. Sesser returned this morning from Grand Rapids.

W. F. Murphy and Leland Townsend are in Three Oaks today.

Mrs. Murphy of Chicago attended the Wallace-Humiston wedding Wednesday night.

Alderman W. C. Ransom was unable to attend the council meeting last evening on account of a serious spell of illness.

F. J. McMahon, Harry Banfort and George Banfort with their families were over from Chicago to attend the Wallace-Humiston wedding last evening.

The county jail is in charge of Deputy Sheriff John Umphrey today. Deputy Sheriff Lynn Ferguson went to Chicago on business and Sheriff Ferguson and Deputy Sheriff Tennant are in Three Oaks.

There will be an ice cream social for the benefit of the Bellview home. All ladies interested are invited at the home of Mrs. W. L. Holland, 1117 Lake Boulevard, St. Joseph, Friday afternoon from 2 to 5.

Press: The A. B. Morse company has now completed its plans of the new building which it will erect at the corner of Ship and Court streets which will be the future home of the institution. The plans call for a building 66x132 feet in size, constructed of brick, and two stories. The lower part of the building will be used as offices and the mechanical part of the business, while the second story will be devoted to the bindery. The company has not yet decided what variety of power it will use, whether steam, electricity or some other style.

## SEYMOUR RELIEVED.

Brief Dispatch Announces This Welcome Fact.

## THE FOREIGN MINISTERS ARE SAFE.

Are with the International Expedition Near Tientsin—Allied Forces Lost 63 Killed and 200 Wounded in Recent Battle.

Chefoo, June 28 (via Shanghai, noon).—Admiral Seymour's expedition has been relieved.

Shanghai, June 28.—The American mission station at Wahsien, west of Chefoo, has been destroyed. The missionaries are safe.

### Foreign Ministers Safe.

Washington, June 28.—The developments of the day respecting China were important and interesting. The Chinese minister's report of the departure of the foreign ministers and their guards from Peking greatly relieved the officials here, who took it as the first tangible evidence that the imperial Chinese government had a full realization of the enormity of permitting the ministers to come to personal harm, and were thus undertaking as far as lay in their power to observe the amenities of international exchange.

A cablegram received from Admiral Kempff late Wednesday afternoon says that the foreign ministers are reported with the Peking relief expedition entrenched eight miles from Tientsin.

The keenest interest is shown by the officials to learn the conditions under which the ministers left Peking. Minister Wu's dispatch was ominously silent on that point, and though the minister himself maintains almost obstinately his confidence in the non-existence of a state of war, it is generally admitted that it will be difficult to accept his conclusion if it shall transpire that the Peking government has sent the ministers away with their passports, or, what may come to the same thing, with a guard as safe conduct.

At the state department it is said that if it shall be explained that the imperial government did this, not with a purpose of rupturing diplomatic relations, but simply to insure the safety of the ministers, which they were unable to guarantee as long as they remained in Peking, then there is still ground for an understanding. It is, however, pointed out that in such case the self-confessed inability of the imperial government to maintain peace and order at the capital would amount to an admission of its utter failure as a government, and would leave China in a state worse than that of actual war. In either event, it now appears to the satisfaction of the officials that there was absolute justification for such intervention as we have offered in China.

### Gen. Chaffee Starts for China.

Washington, June 28.—Gen. Chaffee, who has been ordered to command the American troops in China, left Washington at 1:40 o'clock Wednesday morning for San Francisco, accompanied by Lieut. Harper, his aide. He is due at San Francisco at five o'clock Sunday morning, and sails for Nagasaki on the transport Grant with the Sixth cavalry the same day.

### Seymour Board Presses.

Berlin, June 28.—The German consul at Chefoo confirms the contents of the message from Vice Admiral Seymour which reached Tientsin Monday, saying he was then eight miles westward of that city, terribly harassed, could only hold out another two days and had 63 men killed and over 200 wounded, and adds that the admiral asked for the dispatch of a relief column of 2,000 men. This column left Tientsin during the morning of June 25 under Russian command.

### Americans and British Enter.

London, June 28.—A special dispatch from Chefoo says:

"The fight of the allied forces against the combined Boxers and Chinese soldiers, barring the road to Tientsin, opened at daybreak. One hundred and 2,000 Americans were among the 2,000 international troops. The Chinese soon broke under heavy shelling and then the arsenal was attacked and the guns were gradually silenced. The fight was practically over at noon.

"The keen, friendly rivalry for the honor of first entering the city resulted in the Americans and British going in neck and neck, with the others close up."

### Strength of International Army.

Several thousand Japanese have left Taku for Tientsin, and altogether 13,000 Japanese have landed. The international troops now aggregate nearly 20,000, and Japan is preparing to send 20,000 more. With British, American and other troops ordered to go, probably 60,000 men will be available in a month.

The Tong Shan refugees and the foreign engineers at Chefoo estimate the Chinese troops now in the field as 25,000, rilled troops at Lutai, 25,000 at Shang Hui Wan, 15,000 driven off from Tientsin, and 150,000 at Peking.

### Italian Warships for China.

Rome, June 28.—The Italian armored cruiser Vettor Pisani and the protected cruisers Stromboli and Vesuvio have been ordered to Chinese waters.

### Heat Causes Deaths.

Chicago, June 28.—Seven persons are dead and many others prostrated by the heat, the hot weather mark of the year being surpassed Wednesday, the official thermometer reaching 88 degrees.

### Wheat Crop a Failure.

Chicago, June 28.—Wheat in the northwest is seriously injured by drought. Minnesota will have half a crop, South Dakota and Montana even less, and North Dakota practically none.

J. S. MOATS, Manager.

## FOR WOMAN'S HEALTH

Honest Letters from Women Relieved of Pain by Mrs. Pinkham.

"DEAR MRS. PINKHAM:—Before I commenced to take your medicine I was in a terrible state, wishing myself dead a good many times. Every part of my body seemed to pain in some way. At time of menstruation my suffering was something terrible. I thought there was no cure for me, but after taking several bottles of Lydia E. Pinkham's Vegetable Compound all my bad feelings were gone. I am now well and enjoying good health. I shall always praise your medicine."—Mrs. ANNA FISCHER, Box 226, Romeo, Mich.

### Female Troubles Overcome

"DEAR MRS. PINKHAM:—I had female trouble, painful menses, and kidney complaint, also stomach trouble. About a year ago I happened to pick up a paper that contained an advertisement of Lydia E. Pinkham's Vegetable Compound, and when I read how it had helped others, I thought it might help me, and decided to give it a trial. I did so, and as a result am now feeling perfectly well. I wish to thank you for the benefit your medicine has been to me."—MRS. CLARA STEINER, Diller, Neb.

### No More Pain

"DEAR MRS. PINKHAM:—Your Vegetable Compound has been of much benefit to me. When my menses first appeared they were very irregular. They occurred too often and did not leave for a week or more. I always suffered at these times with terrible pains in my back and abdomen. Would be in bed for several days and would not be exactly rational at times. I took Lydia E. Pinkham's Vegetable Compound, and menses became regular and pains left me entirely."—MRS. E. F. CUSTER, Brule, Wis.

### Lenders Take the Oath.

Manila, June 28.—Nine of the insurgent leaders, including Gens. Pio del Pilar, Concepcion, Garcia and Alvarez, were released here Wednesday upon taking the oath of allegiance to the government and renouncing all forms of revolution in the Philippines, together with making formal acknowledgment of American sovereignty.

### Put to Death by a Mob.

Mulberry, Fla., June 28.—Joe Hendricks (white) was killed by Sam Smith (colored) at Kingsford Monday night. The negro escaped to the woods with a sheriff's posse after him. He was captured late the same night, but a mob took him from the officers and shot him to death.

### Assassinated.

Stevens Point, Wis., June 28.—Gabriel Green was shot dead by an unknown assassin with a rifle Wednesday afternoon while talking to a friend on the street. Leo Wiesner and Frank Kliszinski have been arrested on suspicion.
